

# English Extra Credit Summer Work

## “Accelerate to” Courses

**Feel like you need to sharpen your English skills a bit after this crazy year of remote learning? Want to earn some extra credit\* for quarter one of next year?**

1. Go to your Clever page (WPS sign in).
2. Log into Edmentum.
3. Use the self-enrollment codes and password below to choose the course for the grade you are entering. For example, if you are going to be a Freshman, then use the code for Accelerate to English 9.
4. Once you have logged into the course, find the activities under “Essential Learning.”
